AGENDA

Welcome and Introductions

Review of Why I/T Group is Meeting

- Share ELC Direct Services Work Plan
- Remind members about analysis of 2006 Report on “First Three Years” (prepared by GBA and PATCH) – priorities gleaned: increase access; increase provider training opportunities

Share What’s Happening in the I/T World (brainstorm other initiatives/activities)

- *ZTT TTA grant around public policy*
- *ZTT Training opportunities through Early Head Start National Resource Center* (onsite to practitioners)
- *OHS Region 9 Proposed Plan from HS TTA Managers* (i.e., Send multi-disciplinary state team to SF to discuss and identify potential applications of the “Guide to Effective Consultation with Settings Serving Infants, Toddlers and their Families: Core Knowledge, Competencies and Dispositions” within State I/T systems and to build capacity of I/T State Team members in I/T consultation, core competencies & knowledge. Develop a State approach for rollout of the Guide and roll out of the I/T Consultation Training Modules recently launched at June 2011 Birth to Three Institute in DC.
- *ELC Direct Services 2011-2012 Work Plan*
- *Infant Toddler Mental Health group* (First Relationships – MH Certification)
- *Home Visiting Network* (Federal Maternal Infant Early Childhood Home Visiting grant)
- *Center on the Family Publications: Developmental Guidelines (0-3); Quality Measurement Tool for Center-based and Home-based Programs*

Brainstorm policy recommendations for ELC Consideration

- Provide justification
- Provide specific examples of what could happen
- Identify where Zero To Three TTA might fit in for onsite visit
